1 Reflexmattminiaturen – Einleitung

Die vorliegende Sammlung orthodoxer Reflexmattminiaturen baut auf der von Peter Kniest angelegten Sammlung auf. In dem in der Editions Feenix im Jahr 2003 erschienen Buch *Selbstmattminiaturen – Reflexmattminiaturen* von Peter Kniest, Hans Gruber, Frank Müller und Rainer Staudte wurden alle zu diesem Zeitpunkt bekannten, korrekten und nicht vorweggenommenen Reflexmattminiaturen veröffentlicht. Dabei wurde folgendes System zur Anordnung der Probleme verwendet.

1. Wenigsteiner: Diese wurden nach Materialgruppen sortiert, innerhalb gleicher Materialgruppen nach Zugzahl, und bei gleicher Zugzahl dann nach Datum.
2. Probleme mit fünf bis sieben Steinen: Diese wurden zunächst nach Zugzahl, dann nach Steinzahl, dann nach Zahl der weißen Steine und schließlich nach Datum angeordnet.
3. Anhang: Inkorrekte und vorweggenommene Aufgaben: Diese wurden im Buch nur in Stichworten indiziert. In der vorliegenden Sammlung werden sie im Anhang im Diagramm wiedergegeben, wobei die gleiche Anordnung wie bei den korrekten Aufgaben gewählt wurde: erst die Wenigsteiner, dann Probleme mit fünf bis sieben Steinen, bei denen zuerst nach Zugzahl, dann nach Steinzahl, dann nach Zahl der weißen Steine und schließlich nach Datum geordnet wurde.

Bei den Problemen, die im Buch im Diagramm wiedergegeben wurden, ist die dortige Nummer in der vorliegenden Sammlung unter dem Diagramm wiedergegeben. Alle bekannten Errata zum Buch sind in der vorliegenden Sammlung eingearbeitet, auf sie wird nicht eigens verwiesen.

Von den (noch) korrekten Aufgaben ist nur Nr. 415 nicht vollständig C+.

Die Publikation dieser Zusammenstellung erfolgt online auf der Homepage von *feenschach*: www.feenschach.de

Dies ist derzeit die einzige korrekte orthodoxe Reflexmattminiatur, die nicht vollständig computergeprüft ist. Václav Kotěšovec schätzt, dass ein Volltest mit Alybadix (mit nur der Einschränkung, dass Weiß nicht schlagen darf) deutlich mehr als 320000 Stunden (36 Jahre!) dauern würde, mit anderen Programmen noch viel länger.
